

# New Teacher Welcome Reception

The Bangor region business community would like to offer a warm welcome to and become better connected with the new Bangor School System teachers!

Please join us at a free reception to network with local business professionals, enjoy complimentary refreshments, and experience the UMaine Museum of Art's current exhibition.

**Tuesday, August 26th, 5 to 7 p.m.**  
**The University of Maine Museum of Art**  
**40 Harlow Street, Bangor**

***Hors d'oeuvres, cash bar, and art exhibits!***

Building Bridges, a program of the Bangor Region Chamber of Commerce, works to foster stronger connections between the business and education communities. Each spring, the program facilitates tours of 19 local businesses and organizations for regional teachers, enabling educators to gain an in-depth look into the Bangor economy and workforce, while earning 4.5 CEUs in the process.
